Dear Montana Taxpayer,

Governor Greg Gianforte signed House Bills 222 and 816 into law earlier this year. These new laws provide property tax relief to eligible taxpayers. If you qualify, you may be eligible to receive a property tax rebate up to \$675 this year and again next year. You'll find information about the Montana Property Tax Rebate in this letter and at [GETMYREBATE.MT.GOV](https://getmyrebate.mt.gov).

**Please read this letter to determine if you qualify for the Montana Property Tax Rebate and how to claim it.**

**What is the Montana Property Tax Rebate?**

The Montana Property Tax Rebate is a rebate to Montana taxpayers who were billed and paid property taxes on their principal residence for tax year 2022. The rebate is \$675 or an amount not to exceed 2022 property taxes on a principal Montana residence.

For example, if you owed \$425 in property taxes on your principal Montana residence in 2022, you would receive a \$425 property tax rebate.

**Do I qualify for the Montana Property Tax Rebate?**

You must be a Montana taxpayer who, in 2022, was billed and paid property taxes on your principal residence and have done the following:

- owned a Montana residence for at least seven months
- lived in this Montana residence for at least seven months
- had property taxes, including special assessments and other fees, billed on this residence
- paid the property taxes on this residence

***If you meet these qualifications, save this notice.***
